## New measures announced, effective from 4 July

A further easing of Coronavirus restrictions will take effect from 4 July. From that date, pubs and restaurants across Somerset will be allowed to open both indoors and outdoors as long as they enforce safety guidelines including table service only.

Other businesses allowed to reopen will be:

- Hair salons and barbers, but with visors worn

However, nightclubs, spas, indoor soft play areas, bowling alleys, water parks, indoor gyms, nail bars, swimming pools and water parks will not be able to reopen at this stage.
